Name: _____ Period: _____

Integrated Project Storyboard – PowerPoint

1.   Define the purpose of this PowerPoint. (What is it about? Be SPECIFIC!!)

2.   Plan your slides in the following squares BEFORE you start creating the presentation. Include the actual titles and text. Show where your graphics will go (use a box or circle).

3.   Get this storyboard signed off by Mrs. Bekkemellom BEFORE you begin creating the presentation in PowerPoint. Then attach this sheet to the grading sheet of your Integrated Project.

Computer Technology Teacher Approval Signature: _____
Date: _____   This project is going on my grade the second quarter of this semester. I may turn it in either quarter but I realize that I must email it to Mrs. Bekkemellom when I am finished and the last day the project will be accepted via email is the day it is due during the second quarter.   *NO LATE PROJECTS WILL BE ACCEPTED!!*
